

Communication Matters Road Show & Launch of Try-it

at Croke Park Conference Centre, Dublin 3
on Thursday 15 May 2008 (9.30am-4.30pm)

COMMUNICATION MATTERS ROAD SHOW & LAUNCH OF TRY-IT

See the Latest Communication Aids

Communication Matters and **Try-it**, the Irish on-line Electronic Assistive Technology Library, are hosting this exciting joint event. Try-it will be launching their innovative on-line resource, and Communication Matters is bringing over many of the UK's leading suppliers of communication aids and software to present workshops on the latest communication aid technology. There will be opportunities for questions and hands-on trial of systems, and lots of valuable handouts and literature to pick up.

What will I see?

The Road Show & Launch is a **Full Day Programme** (9.30am to 4.30pm; Registration 9.00-9.30am) - delegates will attend workshop sessions in which the companies will present and demonstrate products such as:

- ◆ Light Tech (e.g. Big Mack, Talking Buddy Buttons, Step-by-step communicators)
- ◆ Mini speech output (e.g. Allora, adVOCate, GoTalk, LEO, PortaCom, VocaFlex)
- ◆ Speech output (e.g. Dynamo, DynaVox V/V Max, DynaWrite, Eco-14, FuturePad, LEO, Lightwriter, Say-it Sam, SM1, MightyMo, MiniMo, Motion Tablet, Pathfinder, Springboard, Tellus 3 & Mobi, Vanguard, Vantage)
- ◆ Communication software (e.g. Boardmaker, Communicate series, Day Planner, Eurovocs suite, EZ Keys, Grid & Grid Mobile, Memory Message, Mind Express, PCS & Widgit symbol libraries)
- ◆ Vocabularies (e.g. CALLtalk, ExpressTalk, Ingfield Express, Wordpower, Picture Wordpower)
- ◆ My Tobii eye gaze system, environmental controllers, switches, amplifiers and more...

If you are interested in seeing a particular device or piece of software, please ring the telephone number below to make sure it will be presented on the day.

Who is the day for?

- People new to the field of augmentative and alternative communication
- Professionals specialising in this field who want to update their knowledge
- Everyone with an interest in communication technology
- Anyone who works with children or adults with severe speech, language or communication difficulties and are in need of some special support with communication

Who will be presenting?

The presenters will be from companies that supply communication aids and related products, including: **DynaVox Systems, Liberator, Possum AAC, QED, SmartBox, Techcess, Toby Churchill, Widgit Software.**

How much does it cost and how do I book a place?
